Halogen Illumination

Clear view of whats happening inside

Want to see how your cooking is going but don't want to open the door and lose the heat inside? Halogen Illumination helps you see all your oven's cavity, so you can keep an eye on your culinary creations with the door firmly shut.

Gas Safety

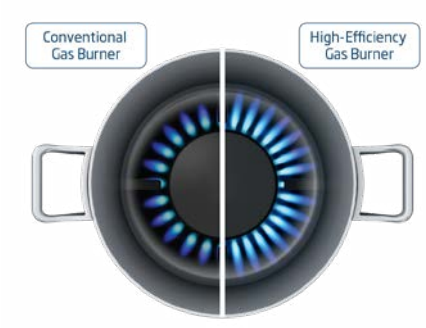
Automatic gas cut-off

It's easy for a flame to go out when you're not around, unleashing dangerous gas into the house. The Gas Safety feature will detect when a burner flame is extinguished by an over-boiling pot or a gust of wind, and shut off the gas supply. No leaks, no worries.

High Efficiency Gas Burner

Faster & more efficient cooking with special burner design

Don't let a busy day cost you a healthy meal. Now you can cook every meal faster and more efficiently on the hob. High Efficiency Gas Burners use less gas and cook more quickly than standard burners. So even when you're short on time, you can put your favourite meals on the table fast.



SoftClose

Smooth & quiet door closing

No one wants to hear the jarring sound of an oven door slamming, but it can be difficult to keep it open when your hands are full. Special hinges on SoftClose oven doors make sure the door closes smoothly and quietly. So, you can worry less about noise and more about getting that dish on the table!

90 CM GAS OVEN
WITH 4 GAS AND 1 WOK BURNERS

- Central Zone: 3.6 kW
- Burner Plate Colour: Black
- Main Cavity Oven Type: Fan-assisted Gas
- Plug: Available

Hob Features

- Burner Plate Design: Metal
- Burner Configuration: 4 Gas and 1 Wok Burners
- Ignition Type: Integrated Ignition
- Gas Safety Device for Hob Burners: Available
- Rear-left Zone: 2 kW
- Front-left Zone: 2.9 kW
- Front-right Zone: 1 kW
- Rear-right Zone: 2 kW
- Pan Supports: Cast Iron
- Hob Type: Gas
- Number of Gas Burners: 5

Main Cavity Functions

- Full-grill: Available
- Air-fry: Available

Standard Accessories

- Rotisserie: Available

Design

- Cavity Colour: Black Enamel
- Number of Shelf Levels: 5-level Side Racks
- Type of Illumination: Halogen Illumination
- Number of Top Cavity Shelf Levels: 2 Levels
- Bottom Compartment Type: Flap
- Lid Design: Glass
- Colour: Black
- Display Type: Mechanical Timer
- Door Opening Type: Drop-down
- Removable Door Glass: Available
- SoftClose Door: Available

Technologies

- Grill Type: Gas Grill (Closed Door)

Performance & Consumption

- Installed Gas Type: LPG
- Main Cavity Heat source: Gas
- Main Cavity Energy Efficiency Class: A
- Voltage (V): 230
- Frequency (Hz): 50 - 60

Dimensions & Weight

- Weight: 70.950 kg
- Packaged Weight: 78.400 kg
- Height: 90.0 cm
- Width: 90.0 cm
- Depth: 60.0 cm
- Packaged Height: 87.0 cm
- Packaged Width: 96.0 cm
- Packaged Depth: 70.0 cm
