90 CM GAS OVEN
W I T H GAS GRILL FUNCTION

Full Glass Door (Removable)

Integrated Ignition

96L Capacity

SoftClose

Halogen Illumination

Clear view of whats happening inside

Want to see how your cooking is going but don't want to open the door and lose the heat inside? Halogen Illumination helps you see all your oven's cavity, so you can keep an eye on your culinary creations with the door firmly shut.

SoftClose

Smooth & quiet door closing

No one wants to hear the jarring sound of an oven door slamming, but it can be difficult to keep it open when your hands are full. Special hinges on SoftClose oven doors make sure the door closes smoothly and quietly. So, you can worry less about
noise and more about getting that dish on the table!
