KEY FEATURES

Model RFNE360W · Colour White

ProSmart™ Inverter Compressor
Variable-speed compressor adapts to load for faster cooling, lower energy use and quieter running; backed by a 10-year compressor warranty.

No Frost
Fan-assisted cooling prevents ice build-up on walls and food, so the freezer never needs manual defrosting.

Fast Freeze
Boosts cooling to lock in freshness quickly when loading large quantities of fresh food.

Reversible Door
Hinges can be fitted on either side to suit the kitchen layout or to pair side-by-side with a fridge.

SmoothFit 90° Opening
Door clears the cabinet at 90°, so the unit fits flush in a corner or against a wall with full drawer access.

Safety Glass Shelves
Tempered glass shelves resist scratches and cracks and support heavy loads.

FreezerGuard
Keeps contents reliably frozen in cold ambient conditions down to 10 °C.

Open-Door Alarm
Audible alert if the door is left open, protecting stored food and energy use.

Touch Electronic Display
7-segment touch display on the door for precise temperature control without opening the freezer.

PRODUCT DATA SHEET

GENERAL

Product type	Upright freezer
Fitting type	Freestanding
Colour	White
Cooling system	No Frost
Compressor	ProSmart™ Inverter
Door handle	Metal-profile bar
Reversible door	Yes

CAPACITY

Total gross volume	313 L
Total net volume	286 L
Frozen food storage (net)	286 L
Daily freezing capacity	17 kg / 24 h
Daily ice-making capacity	2 kg / 24 h
Preservation time at power cut	10 h

FREEZER COMPARTMENT

Freezer drawers	5
Cabinet shelves	4
Height-adjustable shelves	2
Door racks	2
Ice maker	Ice tray with cover
Fast Freeze	Yes

CONTROLS & DISPLAY

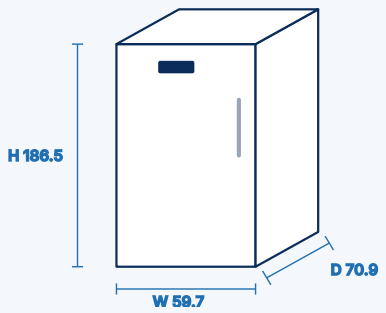
Control type	Electronic
Display type	7-segment touch
Display position	On door (external)
Open-door alarm	Yes
FreezerGuard	Yes

PERFORMANCE & CONSUMPTION

Energy efficiency class	E / 3
Annual energy consumption, 25 °C	275 kWh/year
Annual energy consumption, 32 °C	540 kWh/year
Daily energy consumption, 16 °C	0.4 kWh/day
Daily energy consumption, 25 °C	0.8 kWh/day
Daily energy consumption, 32 °C	1.5 kWh/day
Noise level	39 dBA
Noise emission class	C
Climate class	SN–T
Min. ambient temperature	10 °C
Max. ambient temperature	43 °C
Voltage	220–240 V
Frequency	50–60 Hz

DIMENSIONS & WEIGHT

Height	186.5 cm
Width	59.7 cm
Depth	70.9 cm
Net weight	72 kg
Packaged height	193.2 cm
Packaged width	66.1 cm
Packaged depth	76.2 cm
Packaged weight	78 kg



All dimensions in cm · Door-open clearance per SmoothFit 90° design
