### ProSmart™ Inverter Compressor

High efficiency, high durability, low noise

Don't pay lots of money for electricity bills just for a refrigerator that does the job. You can open the door as many times as you like, ProSmart™ Inverter Compressor technology will adapt and create fewer temperature variations, provide faster cooling with less energy, and allow your food to stay fresh for much longer. The compressor's design provides more durability while being 4 times quieter.

### Vacation Mode

Extra energy saving

Get your fridge in the holiday spirit when you leave for vacation. Vacation Mode saves energy by shutting down the cooler section but keeping the freezer running. Frozen food will be preserved while you save on energy bills.

### CoolRoom

Keeps meat, fish and dairy products fresher for longer

Meat, fish and dairy products need low temperatures to stay fresh. With the CoolRoom, these products will stay just above freezing to maintain optimal moisture. This way, the food will remain fresh and maintain its flavor twice as long.

### LED Illumination®

Even and efficient illumination

LED light covers the whole of the fridge, so you can find everything easily with less stress and energy. LED light on the ceiling of the fridge and LED strips on the side walls illuminate every shelf separately and provide full lighting on every part of the unit.

# SIDE BY SIDE

## REFRIGERATOR

- Cooling System Type No-frost
- Product Group Double Door (SBS) - freezer side

### Technologies

- Eco Function Available
- Vacation Mode Available
- ProSmart Inverter Compressor Available
- Quick Cool Option Available

### Gross & Net Volume

- Frozen Food Storage Net Volume (L) 177

### Fridge Features

- Fridge Shelf Type Glass
- Number of Crispers 2

### Freezer Features

- Ice-maker Type Ice Box
- Number of Freezer Drawers 2
- Fast Freeze Available
- Daily Freezing Capacity (kg/day) 10

### Design

- Fitting Type Freestanding
- Door Handle Type Flush
- Display Type LED
- Display Position On Handle
- Freezer Position Freezer Side
- Led Illumination Available
- Controls Type Electronic
- CoolRoom Available

### Performance & Consumption

- Energy Efficiency Class 1
- Climate Class SN-T
- Noise Level (dBA) 39
- Annual Energy Consumption 25 °C (kWh/year) 325

### Dimensions & Weight

- Weight 89.000 kg
- Packaged Weight 98.000 kg
- Height 177.0 cm
- Width 91.0 cm
- Depth 67.0 cm
- Packaged Height 186.2 cm
- Packaged Width 97.2 cm
- Packaged Depth 71.0 cm

### Safety

- Open Door Alarm Available
