Led Illumination

Clear view of what's cooking

It's not always easy to see your hob clearly, especially if the hood is blocking the light. Led Illumination lights up your hob clearly so you can see exactly what's going on in your pots and pans.

Dishwasher-Safe Filters

Easy-to-clean filters

Nobody wants to hand wash greasy hood filters, and now you don't have to with Dishwasher-Safe Filters. Just pop them in the dishwasher, run a normal cycle, and then pop them back in the hood. Easy!
