3 Position Acrobat System

Height-adjustable upper rack

Say goodbye to all those times you can't figure out how to fit large dishes or long-stem glasses into the dishwasher. Now with the 3 Position Acrobat System, you can adjust the upper rack to 3 different positions to create more room on the lower rack for large dishes.

Fast+ Function

Clean dishes and glasses in a flash

Sometimes you don't have time to wait for a full wash cycle to run before you have clean plates and glasses. The Fast+ function makes the washing cycle faster up to 3 times* with optimum performance, meaning you can wash and serve in no time at all.

*Tested by internal laboratories.
