| Height       | Width       | Depth       |

### Reversible Door

Adjustable door direction to fit your kitchen layout

Some kitchen layouts require that refrigerator doors open in one direction and not the other. Reversible Door allows door hinges to be placed on both the left and the right of the unit, so decide which way your fridge doors open. Plus, you can double your cooling capacity by placing two fridges side by side and reversing the doors of one.

### NEO frost™ Dual Cooling

Faster cooling for longer freshness

It's important to keep the food fresh for longer in the refrigerator. Also, it is difficult to keep fish in the freezer together with a lovely cake in the fridge without their odours mixing. Beko's separate cooling system technology for each compartment provides faster cooling by maintaining ideal air flow and optimal temperatures with an optimal level of humidity in both the freezer and the fridge. The result is the food stays fresh for longer with no frost build-up or odour transfer.

### ProSmart™ Inverter Compressor

High efficiency, high durability, low noise

Don't pay lots of money for electricity bills just for a refrigerator that does the job. You can open the door as many times as you like, ProSmart™ Inverter Compressor technology will adapt and create fewer temperature variations, provide faster cooling with less energy, and allow your food to stay fresh for much longer. The compressor's design provides more durability while being 4 times quieter.

✓ High Efficiency

✓ High Durability

✓ Low Noise Levels

### LED Illumination®

Even and efficient illumination

LED light covers the whole of the fridge, so you can find everything easily with less stress and energy. LED light on the ceiling of the fridge and LED strips on the side walls illuminate every shelf separately and provide full lighting on every part of the unit.

### Key Features

|                                |                |
|--------------------------------|----------------|
| • Product Type                 | Freezer Bottom |
| • Fitting Type                 | Integrated     |
| • Height                       | 177.7 cm       |
| • Width                        | 55.6 cm        |
| • Depth                        | 54.5 cm        |
| • Energy Efficiency Class      | 3              |
| • ProSmart Inverter Compressor | Available      |
| • Cooling System Type          | No-frost       |
| • Freezer Position             | Freezer Bottom |
| • Display Type                 | LED Indicator  |
| • Colour                       | White          |
| • Product Series               | b300           |

### Gross & Net Volume

|                                      |       |
|--------------------------------------|-------|
| • Total Gross Volume                 | 300 L |
| • Total Net Volume                   | 237 L |
| • Zero Degree Compartment Net Volume | 48 L  |

### Technologies

|                                |           |
|--------------------------------|-----------|
| • ProSmart Inverter Compressor | Available |
|--------------------------------|-----------|

### Fridge Features

|                     |           |
|---------------------|-----------|
| • Fridge Shelf Type | Glass     |
| • CoolRoom          | Available |
| • Quick Cool Option | Available |

### Freezer Features

|                  |         |
|------------------|---------|
| • Ice-maker Type | Ice Box |
|------------------|---------|

### Design

|                                |                |
|--------------------------------|----------------|
| • Reversible Door              | Available      |
| • Easy Installation Technology | 3D Adjustment  |
| • LED Illumination             | Available      |
| • Freezer Position             | Freezer Bottom |
| • Display Position             | Inner Top      |
| • Display Type                 | LED Indicator  |
| • Control Type                 | Electronic     |
| • Fitting Type                 | Integrated     |
| • Colour                       | White          |

### Performance & Consumption

|                                     |              |
|-------------------------------------|--------------|
| • Energy Efficiency Class           | 3            |
| • Annual Energy Consumption 25 °C   | 245 kWh/year |
| • Annual Energy Consumption 32 °C   | 483.6        |
| • Daily Energy Consumption at 25 °C | 0.7 kWh/day  |
| • Daily Energy Consumption at 32 °C | 1.3 kWh/day  |
| • Climate Class                     | SN-T         |
| • Voltage                           | 220 - 240 V  |
| • Frequency                         | 50 Hz        |
| • Connected Value (w)               | 75           |

### Dimensions & Weight

|                   |          |
|-------------------|----------|
| • Height          | 177.7 cm |
| • Width           | 55.6 cm  |
| • Depth           | 54.5 cm  |
| • Weight          | 65 kg    |
| • Packaged Height | 185.3 cm |
| • Packaged Width  | 59.7 cm  |
| • Packaged Depth  | 59.7 cm  |
| • Packaged Weight | 69 kg    |

### Safety

|                   |           |
|-------------------|-----------|
| • Open Door Alarm | Available |
|-------------------|-----------|
