Reversible Door

Adjustable door direction to fit your kitchen layout

Some kitchen layouts require that refrigerator doors open in one direction and not the other. Reversible Door allows door hinges to be placed on both the left and the right of the unit, so decide which way your fridge doors open. Plus, you can double your cooling capacity by placing two fridges side by side and reversing the doors of one.

Safety Glass

High-durability glass shelves

Ease your worries of putting that huge and heavy pot in the fridge with Safety Glass. Safety Glass shelves are made up of tempered glass and can carry loads of up to 25 kg. They resist cracks and scratches much better than un-treated glass, so you can store heavy items without a care.

MinFrost

Minimum frost build-up

Frost build-up in static fridges makes food stick together and the appliance consumes more energy. Thanks to MinFrost's special evaporation system, ice build-up in the freezer is dramatically reduced. That means frozen food will be preserved better and with less energy, while you'll need to defrost less frequently.

LED Illumination®

Even and efficient illumination

LED light covers the whole of the fridge, so you can find everything easily with less stress and energy. LED light on the ceiling of the fridge and LED strips on the side walls illuminate every shelf separately and provide full lighting on every part of the unit.

INTEGRATED FRIDGE

Built-under, 82 L

Key Features

• Fitting Type	Built-under
• Product Type	Built-under
• Fresh Food Storage Net Volume	92 L
• Height	81.8 cm
• Width	59.5 cm
• Depth	54.5 cm
• Energy Efficiency Class	3
• Cooling System Type	Static
• Colour	White
• Product Series	b100

Gross & Net Volume

• Total Gross Volume	125 L
• Total Net Volume	107 L
• Fresh Food Storage Net Volume	92 L

Fridge Features

• Fridge Shelf Type	Glass
• Egg Tray Capacity	6

Design

• Reversible Door	Available
• LED Illumination	Available
• Control Type	Mechanical
• Fitting Type	Built-under
• Colour	White

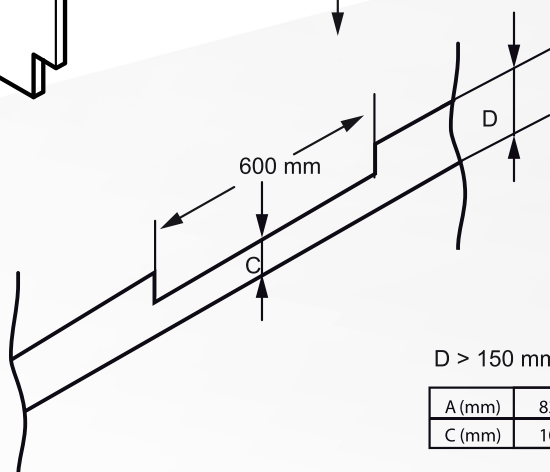

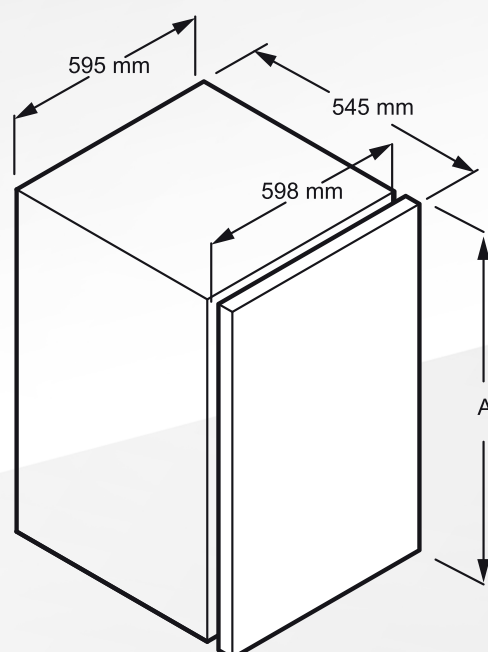

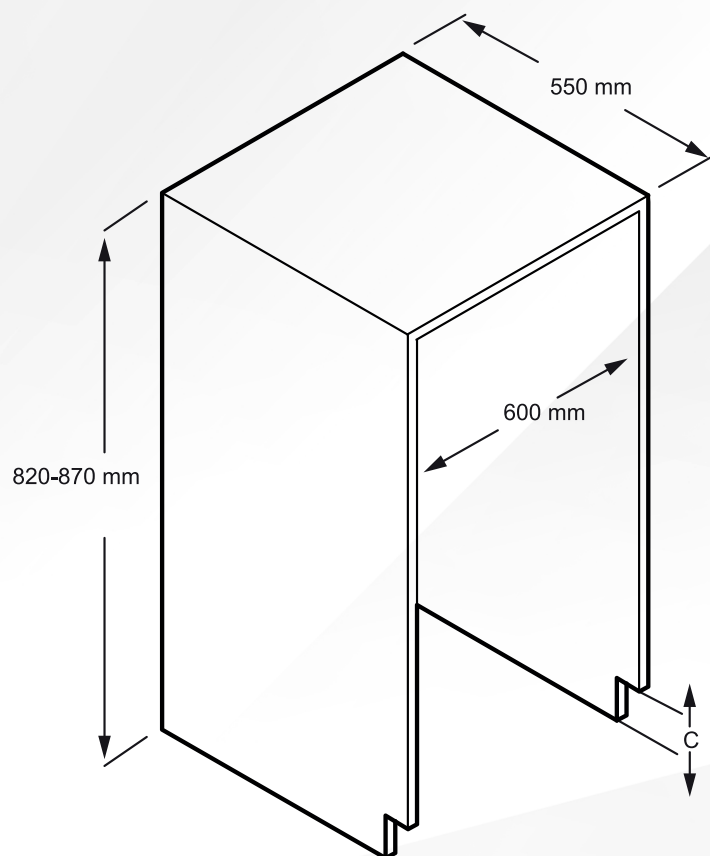

Performance & Consumption

• Energy Efficiency Class	3
• Annual Energy Consumption 25 °C	175 kWh/year
• Annual Energy Consumption 32 °C	229.9
• Daily Energy Consumption at 25 °C	0.5 kWh/day
• Daily Energy Consumption at 32 °C	0.6
• Noise Level	39 dBA
• Climate Class	SN-T
• Voltage	220 - 240 V
• Frequency	50 Hz
• Connected Value (w)	65

Dimensions & Weight

• Height	81.8 cm
• Width	59.5 cm
• Depth	54.5 cm
• Weight	29 kg
• Packaged Height	89.6 cm
• Packaged Width	63.6 cm
• Packaged Depth	57.6 cm
• Packaged Weight	32 kg
